

# Makers Craft Week

Join us from Monday February 17th for a week of crafting as we showcase our makers groups and offer workshops designed to get you creating!

## **BOOMERANG BAGS WORKSHOPS** with Brian Thomas "Mr Sewing"

### **KNOW YOUR SEWING MACHINE.**

Join us for this look at what your sewing machine does, how the different needles, threads, stitches & techniques available open up a world of finishes & sewing possibilities...fabrics, speciality threads & needles are looked at & discussed.

**Dates: Mon 17th 1pm to 3pm | Wed 19th 6pm to 8pm**

### **KNOW YOUR OVERLOCKER**

Brian will share tips hints & ideas that he has seen & picked up over the years, while promoting, showing & repairing a variety of brands & models of overlockers. Overlocking is easy, fun & offers a variety of sewing options.

**Dates: Tues 18th 1pm to 3pm | Thurs 20th 6pm to 8pm**

### **OVERLOCKER BASIC MAINTENANCE**

Are you & your overlocker getting on OK? Brian will show you where & what to do to give it a little bit of "Tender Loving Care". Tips, hints, techniques & basics are discussed & shared during this fun workshop.

**Dates: Tues 18th 6pm to 8pm | Thurs 20th 1pm to 3pm**

### **SEWING MACHINE BASIC MAINTENANCE**

What to do for your machine and how to keep it purring along. All of Brian's experience shared with you in a serious and fun workshop. Why are new models hardly oiled? Why do older machines stiffen and seize up and become hard to operate? Sick of breaking needles, missing stitches or cobbling the underneath thread? Find out why and how this is caused and how to stop it at this Workshop.
